Please note that a successful application for exemption from participating in a district trial does not automatically guarantee selection in a district team competing at the Sunshine Coast School Sport Regional Trial.

If you are unable to participate in the district trial and want to be considered for selection (and to be invited to join the district team), **you must provide a resumé showing your prior sporting achievements in this sport, particularly at the representative level** as well as documentation (eg. medical certificate, invitation to compete at a higher level championship, etc) at the same time with this completed application.
