TO:  
1. The Principal  
2. The Sportsmaster

FROM: Regional School Sports Officer - Sunshine Coast Region

TOPIC: Regional Sport Trial Day 3 – Tuesday 20 May 2014. 
(Alt. Tuesday 27 May, 2014.)

1. Please be mindful of the following guidelines:

a) Schools should not send more students than required to make up the number in the Regional Team.

b) Schools should attempt to ensure that only students with a realistic chance of making the Regional Team attend the Trials. (e.g. It is unlikely that Year 8 students would be selected in an open age team).

c) If possible, it would be extremely helpful if teachers other than the Regional Convenor, Coach and Manager could also be released to assist at the trials.

d) In some cases, to avoid problems associated with large numbers of students attending Trials, District Teams will be selected prior to the Regional Trials. Where this occurs, only students selected in the District Team should attend. It is strongly recommended that Districts send a Teacher with each Team.

e) Any questions regarding the Trials should be directed either to the Regional Sports Officer or the Regional Convenor.

If for any reason the Trials have to be deferred to the alternate date, schools will be notified by email no later than 7.00am on the day of the trial.

Information will also be posted on the Sunshine Coast Region School Sport website: http://www.sunshinesport.eq.edu.au.

In the case of wet weather, only Sports held at outdoor venues may be postponed. Those held at indoor venues will go ahead.

f) The Regional Convenor must receive written approval from the school for each student before the student can participate in the Regional Trial. This approval may be posted / faxed to the Convenor prior to the Trial or handed to the Convenor at the Trial. This policy also applies to District Convenors for District Trials. A PCF for each student must have been completed.

The individual or the group permission forms may be used.

IMPORTANT NOTES

• Students who attend Trials without written permission may be asked to return to their school as no supervision is available for students not involved in the Trials.

The only exception to this may be in the case of 13 year old Primary School students who are attending Secondary Sport Regional Trials for the first time.

• Students selected in District Teams to attend the Regional Trial do not need to provide written permission to the Regional Convenor as long as the District Team is accompanied / supervised by a teacher from that District. If there is no Teacher Official with the team, then written permission is required.

• Regional Teams, NOT SQUADS, will be selected at the Regional Trials. Shadow players may be announced and invited to attend training sessions but it must be explained that attendance at training sessions is strictly voluntary.
Approval is given for the following students to attend the 2014 Regional (SPORT) Trials.

STUDENT ELIGIBILITY FOR PARTICIPATION IN SUNSHINE COAST REGIONAL SECONDARY SCHOOL REPRESENTATIVE TEAMS

(Policy to be explained to students prior to the commencement of the Regional Trials if necessary.)

1. To be eligible for nomination to represent the Region, the student must be participating in an interschool competition within the Zone at the time of the Regional Trial, provided that the school attended by the student takes part in a competition. The school must be affiliated to the Region.

2. A student whose school does not participate in an inter-school competition may be invited to nominate for selection in the Regional Team, provided that any other conditions, as determined by the Region, are satisfied.

3. A student must attain all qualifying standards and conditions as set down by the SCRSSS and the QSSS and must accept all requirements outlined in the “Invitation to join the Regional Team”. A student must attend the entire Regional Trial, unless prevented by illness, injury, etc., to be eligible for selection in a Regional Team. Any variation to this procedure must be approved by the Regional Executive.

4. A student who does not attend the Regional Trials may only be considered for selection in the Regional Team by making a request for exemption in writing to the Regional Convenor prior to the Trials. The request must be accompanied by a resume of achievements in the sport and both must be signed by a parent and the Principal.

Legitimate reasons for exemption may include :-

- The student is involved in a State or National Championship in that sport or in a Regional Team at a State Championship at the time of the Regional Trials.
- The student is unable to compete at the Regional Trials due to illness or injury, verifiable by appropriate supporting documentary evidence, e.g. Medical Certificate, available to the Regional Convenor upon request, and has previously demonstrated a level of ability sufficient to warrant nomination for the Regional Team.
- The student is attending a scheduled school event, e.g. examinations, and is unable to compete at the Regional Trials, verifiable by written endorsement from the school and has previously demonstrated a level of ability sufficient to warrant nomination for the Regional Team.

5. A student must be enrolled at and attending a school in the Region to be eligible for consideration for selection in the Regional Team (except in the case of students attending Schools of Excellence or Schools of Distance Education affiliated to QSSS and thirteen year old Primary School students enrolled at and attending affiliated Primary Schools).

6. The Regional Convenor must have received written approval from the school for each student before the student can participate in the Regional Trial. Where Zone Trials are held prior to the Regional Trials, the Zone Convenor must have received written approval. When students are selected in the Zone Team, the Zone Convenor will forward these student’s approval forms on to the Regional Convenor.

This is to ensure students have the Principal’s approval to attend the Trials and, if selected, to go on to the State Championships.

7. To be eligible for nomination to represent in the Regional Team, a student must not have attained the age of nineteen (19) years on the 31st December of the year of competition.

N.B. Track and Field competitors must not have attained the age of twenty (20) years on the 31st December of the year of competition.

PRINCIPAL’S NOTIFICATION

Principals of students invited to join Regional Teams will be notified by mail by the Team Manager immediately the Team is confirmed.
Absentee Application - Request for Exemption to attend the Regional Trial

If a student is unable to attend the Regional Trial for a reason that meets the Regional Student Eligibility for Selection Policy exemption criteria as listed on the Absentee Application form and wants to be considered for selection in a Regional Team, the student must complete an “Absentee Application” form and ensure it reaches the Sunshine Coast Region School Sport Office by no later than 24 hours prior to the Regional Trial.

Copies of the Absentee Application form can be accessed on the Sunshine Coast Region School Sport website –

www.sunshinesport.eq.edu.au

NB: The Sunshine Coast School Sport website is currently undergoing a rebuild. If the website is not available, contact the Regional School Sport Office to obtain a copy of the Request for Exemption form.

Requests for exemption must be accompanied by an email address that can be used to acknowledge receipt of the Absentee Application form and whether it has been accepted.

Ensuring the form has arrived by the due date is the responsibility of the applicant.
