

Sunshine Coast Annual Report 2015

Chair:	Mr Greg Ferdinands
Deputy Chair:	Ms Kerri Dunn
Executive Officer:	Mr Richard Aspinall - Acting
Athletes With Disability Co-Ordinator:	Mrs Dailene Clarke

Members:

Central District (13-19)

Chair: Graeme Hight
Secretary: Tanya Aspinall
Treasurer: Tanya Aspinall

Cabooture District (10-12)

Chair: Gregg Tagg
Secretary: Peter Reynolds
Treasurer: Jodie Wollett

Nambour District (10-12)

Chair: Paul Lowik
Secretary: Helen Raatz
Treasurer: Paul Franklin

Independent District (10-12 + 13-19 years)

Chair: Anthony Dyer
Secretary: Steve Carey
Treasurer: Jill Canton

Coastal District (10-12)

Chair: Greg Ferdinands
Secretary: Michael Chamberlain
Treasurer: Michael Chamberlain

Noosa District (10-12)

Chair: Corrie Connors
Secretary: Dan Bandera
Treasurer: Kellie-Anne Blain

North District (13-19)

Chair: Paul Fitzgerald
Secretary: Kim Beckinsale
Treasurer: Karen Gillespie

Glasshouse District (10-12)

Chair: Janet Austen
Secretary: Rachael Muller
Treasurer: John Byrne

Redcliffe District (10-12)

Chair: Brad Roberts
Secretary: Paul Dunn
Treasurer: Steve Carmody

South District (13-19)

Chair: Paul Valesse
Secretary: Brynley Sadler
Secretary: Kelvin Kuhl
Treasurer: Nick Littlewood

Chair - AGM Report 2016

I would like to personally thank the Board and its members for the work we have done in 2015 and the achievements we have made: The highlights for me are:

- We welcomed Dick Aspinall into the position of acting RSO for our Region
- We supported our RSO in the priorities identified to make our Region the best it can be.
- We were able to work on streamlining our policies and procedures around the business we conduct and ensure they were up to date and efficient. (this will continue to be an ongoing focus of the board)
- We conducted successful State Carnivals
- We reviewed our current boundaries and worked closely together as a Region to ensure alignment and representation could be maximised for our students.

I continue to look forward to working with the board in 2016 either as Chair or a District Representative.

Greg Ferdinands
SCRSS Chair

HIGHLIGHTS from the RSSO and Office Staff

- Development of new Electronic Manager's Tool (EMT) to assist regional manager with tasks of compiling regional team lists, principal notifications, ordering team playing shirts/jerseys, apparel orders, financial collection procedures and reconciliations.
- Introduction of inaugural Regional Officials' Induction Courses.
- Updated / implemented new operational documents for Regional Officials and District Secretaries.
- Introduction of Regional Officials' Appreciation Evening
- Introduction of a corporate uniform for Sport Office Staff. Planning to introduce dress shirts for Regional Board Members and Regional Officials in 2016 / 2017.
- Introduction of events for Para / Deaf Athletes at regional swimming, cross country and track & field trials.
- Change of Nambour / Coastal District boundaries which saw Kuluin SS, Stella Maris and Maroochydore SS move to the Nambour District. This will be reviewed for 2017.
- I would like to thank the following staff for their assistance and hard work in 2015 and into 2016.
- Leigh and Deb in the sport office for their collaboration and commitment in ensuring the sport office move forward and introduce efficient processes and procedures.
- Greg Ferdinands, as SCRSS Chair, for his valuable advice and support in dealing with parents & team concerns.
- SCRSS Board Members / District Executive Committees for their dedication and willingness to move their districts forward.
- Regional Officials for ensuring a successful year of preparing and supervising regional teams at state championships.

I would like to thank our State Championships Convenors listed below and congratulate our Regional Award recipients.

Hosted QSS State Championships Convenors

Sport	Position	Name	School
Netball 11 years Invitational	Convenor	Helen Raatz	Yandina State School
	Co-Convenor	Heather McDuff	Caloundra State School
Netball 10-12 years	Convenor	Helen Raatz	Yandina State School
	Co-Convenor	Heather McDuff	Caloundra State School
Basketball 13-15 years	Convenor	Jodi Page	Wamuran State School
	Co-Convenor	Susan Glover	Sunshine Coast Grammar School
Baseball 16-18 years	Convenor	Kirsti Harrington	Minimbah State School
Football 16-19 years	Convenor	Nigel Riggs	Maroochydore State High School
	Co-Convenor	Candace Watson	Chancellor State College

Executive:

Chair	- Greg Ferdinands	Golden Beach
Deputy Chair	- Dan Fitzgerald	OLR
Secretary	- Michael Chamberlain	Currimundi
Treasurer	- Dick Aspinall	Chancellor

Interschool Sport in 2015 again used a 4 day carnival format with playing time from 11 – 2.15. This took place over 3 zones. This is a big undertaking for the Zone Convenors and the individual sport convenors for just the 4 days. Thanks to all involved for their efforts in making this run so smoothly. Unfortunately, this does limit the number of sports that can be offered, however the district does cater for students to trial in all sports offered at regional level . Coastal District supported these students with convenors , coaches and managers for each of these sports. A challenge still lies ahead after the movement of yr 7 students to secondary school sites with these students attending 12 years trials. The district continues to work hard with Central District to ensure year 7 students have access to these opportunities to represent.

The Coastal District Nipper Carnival was again held on the last Monday of term 4. 8 Schools were involved, co-ordinated by Anthony Swan with the support of the Alex Surf Life Saving Club. This continues to be a very successful event on the sporting calendar.

A District Surfing Series took place in 2015 (now in its 13th year) with around 250 students from Golden Beach to Noosa (and now from as far away as Victoria and the North Island of New Zealand) participating in the Parko Grom Stomp . The Channel Your Energy Challenge is the culminating event of the year with the best 24 surfers south of the Maroochy River (Coastal District) up against 24 of the best from north of the river. Students also have access to a number of school run team events. These events are run throughout the year and truly showcase the wealth of surfing talent (some of whom have already hit the world stage) on the Sunshine Coast.

Swimming, cross country and athletics were again huge undertakings and we thank the convenors' schools for supporting these events. The success of each reflects the professional approach of the convenors to run such events.

Coastal District schools contribute to a TRS replacement scheme for teachers who coach / manage district teams to attend regional events. This scheme which has been in place since 1999 and continues to ensure that schools who support district sport with officials are covered.

In 2016, Maroochydore , Kuluin and Stella Maris leave Coastal District to join Nambour District in all areas except interschool sport for which they will be part of Coastal North Zone.

Congratulations to all students who gained Coastal District selection in 2015 and also to those who used this to take the next step to Regional and State representation. Thanks must also go to all of the teachers who gave so much of their time to coach, manage and convene the many trials and teams selected. Without this support, sport would not be able to function at this level.

Our thanks to Mark West (RSO), Dick Aspinall (A/RSO) , Leigh , Deb and support staff for their outstanding support and advice throughout 2015.

Thanks to my fellow executive – Greg Ferdinands (Chair) Dick Aspinall (Treasurer) and Dan Fitzgerald (Dep Chair) who continue to support and drive sport in our district and to all affiliated schools in Coastal District for their continued support.

Michael Chamberlain
Secretary / Treasurer

Nambour 10 – 12yo Sports District Annual Report 2015

Affiliated Schools

Bli Bli Primary, Burnside Primary, Chevallum Primary, Nambour Primary, Nambour State High , North Arm Primary, Pacific Paradise Primary, Palmwoods Primary, Sienna Primary, St Joseph's Primary, Woombye Primary, Yandina Primary and Small Schools consisting of Conondale Primary, Eudlo Primary, Glenview Primary, Kenilworth Primary, Mapleton Primary and Montville Primary.

Executive

Chair -	Paul Lowik, Woombye State School
Vice Chair -	David Ford, Woombye State School
Secretary -	Helen Raatz, Yandina State School
Web Site Manager-	Peter Abt, Burnside State School
Treasurer-	Paul Franklin, Pacific Paradise State School
Financial Officer -	Glynn Williams

2015 was another extremely busy year for the Nambour 10 – 12yo Sports District. Our District was able to provide competitive teams in every sport at Regional Selections except for field hockey where a selected pool was sent along for consideration at the trials. This follows District Selection Trials for each sport supported by our Region. This is an exceptional effort accomplished through the energies and dedication of the limited number of PE teachers and classroom teachers passionate about providing sporting opportunities at every possible occasion for the students. This resulted in numerous students being chosen in Regional Teams ranging from soccer and netball through to cricket and basketball. We even managed to send an Athlete through to the Nationals in Athletics in December. Our congratulations are extended to these selected students as well as the teachers (PE and classroom) who sacrifice so much of their personal time to provide these opportunities.

The Year 5/6 Interschool Sports Program proved to be a great success once again even though rain did once again intervene. Many of the classroom teachers attending continued to provide positive feedback and witnessed the huge benefits of student participation. These days are extremely important to have all students participating at a fun level rather than catering for the talented athletes only. The social benefits for the students are also great. The Year 3/4 Gala Sports Day was cancelled due to the lack of interest from schools. Only three schools registered for the event. This event will need to be seriously considered before energies and efforts are wasted in the organisation only to have it cancelled.

A huge thank you is extended to each of our P.E. Teachers and other teachers for a very successful 2015. The many voluntary hours behind the scenes to ensure all the trials and District Competitions ran smoothly may not be recognised by the general public but without your efforts, we would not have future world champions. Those who are aware of the time and effort required to maintain the standard for student participation are very thankful for your commitment to ensure successful carnivals and trials.

We look toward 2016 with great interest as three schools have generously agreed to join Nambour District to bolster both our student and staff numbers on a trial basis. We welcome Maroochydore State School, Kuluin State School and Stella Maris into the fold and look forward to great results from this trial.

Thank you once again all of you for your efforts during 2015 and I look forward to your continued support, new ideas and energies throughout 2016.

2015 Chairperson
Paul Lowik
Woombye State School

CENTRAL DISTRICT SCHOOL SPORT

2015 Report

What a 'Flying Start' to 2015!

This year we welcomed the Year 7 students into the traditional 'secondary' school setting. These students have participated in Summer and Winter Interschool Sport Programs as well as the Central District Swimming, Athletics and Cross Country Carnivals. All of the 12 years students were given the opportunity to attend Coastal, Glasshouse or Nambour 12 Years trials for Team and Individual Sports. There have been a number of teething problems throughout the entire year and a number of challenges we need to work through to ensure our Year 7 students are accessing all sporting opportunities within our school sport system.

In Terms 1 and 3 we ran our inaugural Year 7 Summer and Winter Interschool Sport Competitions respectively. The competitions were split into 'North' and 'South' zones. The students played 6 rounds of competition against the schools in their zone. Each team who finished on top of their ladder at the end of the 6 rounds was awarded Year 7 Champions. These competitions have proved extremely successful with positive feedback from staff, students and parents.

In Term 2 the Year 8/9 Winter Interschool Sport Competition was conducted. After 9 rounds, we culminated in a Finals Day at Kawana Waters State College, Meridan State College, Fisherman's Road and Stockland Park. Mt Creek took out the Overall Winter Champions Trophy just ahead of Chancellor. Siena finished in 3rd place overall. Siena's strong performance saw them take out the Percentage Trophy for the third year in a row. Congratulations to both Mt Creek and Siena.

The Year 8/9 Summer Competition has been conducted during Term 4 with the finals day being held on Wednesday 2nd December at Caloundra State High School sporting precinct, the Caloundra Indoor Sports Stadium and Kawana Waters State College.

We would like to thank Kawana Waters State College, Meridan State College and Caloundra State High School for hosting the respective Finals Days. In particular, special thanks must go to Tony Gordon/Chris Humphries, Keith Gaughan, Pete Ossipow and the individual sport convenors for all the additional work they do in setting up venues and ensuring everything runs smoothly on the day. Without the continued support of these schools these Finals Days would not be the success that they are.

Congratulations to all our District Convenors on their coordination of our District Trials. Thanks also to the staff from all the schools who contributed to the success of these trials. It is very pleasing to see the enthusiasm of the students competing at these trials. In 2015, the Central District students were very successful in being selected in Regional, State and Australian teams. Approximately 240 students were selected in Regional teams. Eleven (11) students were selected in two (2) Regional teams and three (3) students were selected in three (3) regional teams. These opportunities for success are not available without the continued support and dedication from our staff.

The Swimming Carnival was our first major event with the incorporation of the 12 Years age group. We continued with the format of A Division and B Division carnivals as well as the Regional Time Trials all being run on the same day at Cotton Tree Pool. It was a very steep learning curve that will result in a number of changes for our future Swimming Carnivals to ensure we are able to cater for all students and complete all events. A special thankyou to the team at Beerwah SHS for their excellent organisation of this carnival. Congratulations to Siena CC who won the A Division Overall Champion School (114 points clear of their nearest rival) and Caloundra SHS who won the B Division Champion School by 10 points. Siena CC were the A Division 'Percentage' Champions while Maleny SHS were our B Division 'Percentage' Champions.

The Cross Country Carnival was once again conducted at Maroochydore Cricket Club. Thank you to Chris Humphries for all the work he put in setting up and convening this carnival. Thank you also to Brian Wilkinson for providing and running the scoring program on the day. Congratulations to Chancellor SC who took out Overall Champions Trophy as well as the 'Percentage' Trophy.

After a change of date and then a wash-out we were finally able to run our Athletics Carnival in a modified format. This carnival proved to be one with many outstanding achievements. Firstly to Rowan Sutton from Beerwah SHS who broke the Long Jump and Triple Jump records. He now holds these records for all 5 years (13 years through to 17 years). Secondly to Nicole Kay from Maroochydore SHS who broke the 400m record. Nicole now also holds this record for all 5 years (13 years through to 17 years). Finally, to Chancellor State College who finally broke the Beerwah SHS 20-year athletics domination. Chancellor dominated the carnival taking out the Boys Champion

Trophy, the Girls Champion Trophy and the Overall Champion Trophy. Congratulations to Chancellor on this magnificent team effort from both staff and students. Our athletics powerhouse over the last 20 years, Beerwah SHS, won the 'Percentage' Trophy. Thank you to Michele Akers for her all her work in convening the carnival. A special thanks also to Anne Fenwick from Siena for all her assistance with the Meet Manager program. Without Anne's help we may not have been able to finalise all the results from the carnival. Finally, thanks to Hayley Shillig from Meridan for taking on the Meet Manager program without any training. Her persistence and professionalism was once again outstanding.

A special thank you to the Mountain Creek State High Cert III students who have assisted at all three carnivals again this year. The use of these students would not be possible without the support of Mountain Creek SHS.

Thanks must go to Graeme Hight (Chair) for his continued support and dedication to the Central District Sport Committee. His guidance is invaluable in steering our committee to success. In 2016, we will again elect the positions of Chair, Deputy Chair and Secretary/Treasurer from nominations submitted prior to the AGM.

Finally, thank you to the Sports Co-ordinators in our schools. The positive outcomes achieved by the students in Central District are attributed to the dedication of the staff and the quality of the sporting competitions being run within our District.

2015 has been a year of challenges with the Flying Start Program. With the commitment of the staff in our district we will continue to work towards offering the students in the Central District positive sporting opportunities in 2016.

Written by: Tanya Aspinall

CABOOLTURE DISTRICT SPORTS 2015 OVERVIEW

2015 was a successful year for the Caboolture District Primary School Sports Association with the district fielding teams in 20 regional sports.

Sports included

- AFL - Boys
- Basketball – Boys & Girls
- Cricket - Boys
- Cross-country – Boys & Girls
- Football – Boys & Girls
- Hockey – Boys & Girls
- Netball 11 & 12 yrs Girls
- Rugby League 11 & 12 Boys
- Rugby Union 11 & 12 Boys
- Softball – Boys & Girls
- Swimming – Boys & Girls
- Tennis – Boys & Girls
- Track & Field – Boys & Girls
- Touch – Boys & Girls

I'd like to take this opportunity to congratulate and thank all those individuals who gave up their time to manage and coach the district teams, your services to the Caboolture District Primary School Sports Association is greatly appreciated. I would also like to welcome Caboolture High back into the fold and farewell Kilcoy State School who have joined the Glasshouse Region.

2. In 2015 we were able to launch our district web page. I would like to thank Mr Shane Hoy for his efforts in getting the web page up and running. The page itself has been a great success allowing parents to access information concerning trial dates and updates pertaining to those trials (the cancellation of a number of trials due to inclement weather was posted on several occasions). The web page also allowed coaches and manages to access district paper work and information. <https://cabdistrictsport.eq.edu.au>

3. 2015 saw us move both the Cross Country and the Athletics to alternate locations due to the refurbishment of Apex Park. Both moves were very successful especially the Track and Field which was held at Wamuran. I would like to take this opportunity to thank the Wamuran Little Athletics for the use of their facilities and the Caboolture Little Athletics for their canteen support on the day. We had a number of issues concerning the cross country these were mainly due to the new location and course, these problems were addressed on the day and the trials went ahead and were successful.

In 2016 we will be moving the track and field back to Apex Park in Caboolture but the Cross Country will remain at Burpengary.

4. After much discussion in 2014, 2015 saw the implementation of the District Gala Days. The response from those schools that participated has been very positive. We had some 15 schools participate throughout the year allowing us to expose our students to a variety of sports that form of our regional sports list. The financial strain place on

families has been alleviated by the gala days with a one off payment each term, the feedback from parents has been very positive. With the return of a number of schools in 2016. I believe the gala day concept will continue to grow and develop.

5. The P.D day run by the district for the P.E Teachers in the Caboolture district was a success with a number of schools sending representatives. I would like to thank Mr Andrew Ogilvie and Mr Anthony Waugh for their presentations on the day. Due to the success of the day another PD will be held in 2016 for all members of the Caboolture District Primary School Sports Association.

6. In 2015 the **CDSA** has commenced purchasing kits for a number of sports. The objective of this is to take the strain off coaches having to use their own school equipment to support their trials. This strategy will continue into 2016. An asset register has been created and is available to all member of the district sports committee. This year also saw the purchasing of district netball uniforms for the Caboolture district this steady renewal of outdated and old district uniforms will continue in 2016.

7. The financial report for 2015 presented by Ms Jodie Woollett.

8. Once again I would like to take this opportunity to thank all those coaches and manages for their efforts in 2015. I would also like to thank Mr Greg Tagg and Jodie Woollett for their hours of work and endless support throughout 2015. 2016 will be another year of development for both the Executive Committee and the district itself. I look forward to the challenges that lay ahead and ask for your input and support in 2016.

Paul Reynolds
District Secretary

SOUTH DISTRICT SCHOOL SPORT ANNUAL REPORT 2015

For 2015 the Sunshine Coast South District ran competitions on Wednesday afternoons for years 9-11 and on Thursday afternoon for years 7&8. These competitions ran in a timeframe that allowed participation in the Metropolitan Finals series although sports were included that are not played in the finals series. Summer Sport ran until mid May and Winter Sport until mid August for Years 9-11 and the September holidays for years 7&8. It will be pleasing to see the reintroduction of the year 12 student for the 2016 seasons. I would also like to welcome Southern Cross back into our district interschool sport competition.

The Primary schools run competitions in the Redcliffe District and the Caboolture District, both on Friday afternoons. For 2015 these competitions were held for 2 terms (approximately) and the other terms were reserved for school based sport and carnival preparation.

The District is made up of schools on the Redcliffe Peninsula and the Caboolture area. Also in the District are Woodford and Kilcoy schools that participate in carnivals but not in weekly sport. Several schools from the North Brisbane Region continue to participate in Senior sport on Wednesdays and North lakes State College also participates in Junior Sport on Thursdays.

For Secondary sport, the weekly results are recorded on a website and are available to all schools during the season. The weekly competition is governed by By-Laws which are also available on the website.

All 18 Secondary Schools in the District compete in Swimming, Athletics and Cross Country carnivals at local venues and travel to the Sunshine Coast for the Regional Carnivals and Cross Country as well while the Primary schools again compete in their 2 Districts in separate carnivals. Trials for team sports are held locally before students selected travel again to Sunshine Coast venues for the Regional trials. Representation from the South District is always strong with many students going on to represent firstly the Region and then Queensland.

Secondary carnivals have been coordinated by Kelvin Kuhle Redcliffe State High School and the financial interests of the district have been handled by the office staff at their school. Secondary weekly sport has been coordinated by Brynley Sadler from Mueller College. Responsibilities will be handed over to Debbie Duane from Grace Lutheran College for weekly sport and Stephanie Canham from St. Eugenes College for carnivals. Whilst David Friis from Tullawong will be the Chair for the Southern District.

Brynley Sadler
Secondary Secretary

North District Secondary School Sport 2015 Annual Report

There were 10 schools representing the Sunshine Coast North District Secondary Sport in 2015. Noosa Pengari School did not affiliate. Noosa Flexible Learning Centre opened however our District was unaware we needed to contact them regarding affiliation. All 10 affiliated schools competed at our North District Swimming, Cross Country and Athletics carnivals. There were six schools competed in our Interschool Sport competitions (Burnside, Coolum, Nambour, Noosa, St Teresa's and Sunshine).

North District offered Interschool sport on Thursday afternoons for Year 9 in Term 1 and Year 8 in Term 2 and introduced a Yr 7 competition in term 3. The fixtures went for 5 weeks then the top four teams from the draw made the finals to determine the champion teams and overall winning school. Noosa District SHS were the overall winning school for Year 9, Coolum SHS were the winners of the Year 8 Competition and Sunshine Beach were the winners of the Yr 7 Competition.

Carnivals were also held for Swimming, Athletics and Cross Country in which all the schools in the District competed. The Swimming Carnival was held as a single day carnival at the Nambour Aquatic Centre and was won by St Teresa's. The Cross Country was held as a single day carnival at St Teresa's College and was won by St Johns. The Athletics was held over 2 days at the Sunshine Coast University and was won by Sunshine Beach SHS for the first time in the history of the school.

The District continues to conduct trials to select teams to go to the Regional Trial days and individuals are sent directly to the trials where that is appropriate. Representation from the North District is usually strong in the 13-15 years age group, however it is becoming more and more difficult to conduct 16-19 trials.

Each year after all the North District competitions are complete, the Overall North District Sport School trophy is presented at the final Term 4 meeting. Sunshine Beach SHS won the coveted trophy for the second year running due to its consistency and participation across all the carnivals and interschool sport.

The financial interests of the district were handled by the office staff at Sunshine Beach SHS and the balance at the end of the 2015 financial year was \$4,778.74

At the end of the 2015 year North District School representatives voted to a new levy (Senior Teacher Wage \$2.70 per student) to cover the host schools time allocation for the 'North District Secretary Position'.

Kim Beckinsale
North District Secondary School Sport

2015 ANNUAL REPORT – INDEPENDENT DISTRICT 10-12 YEARS & 13-19 YEARS

Independent District continues to provide opportunities for students to up-skill themselves in their chosen sport(s). Both Independent Districts continue to have high level of representation at Regional level. This is an indication of the enormous amount of time spent by staff outside school hours in supporting students with their sporting activities and the success of the comprehensive SCISSA inter-school sport competition.

Independent District has continued to undertake a review of procedures to reduce the work load on staff and schools. Collection of 10-12yr levies has been simplified at District level. This process reduces markedly the amount of time spent by schools and District officials on finance duties. From a District perspective it would be of benefit to process levies for 13-19yr students the same way as we do for 10-12yr students, that is have Region invoice District for the 13-19yr trial levies. It is also preferred that District staff undertaking Regional team duties are not placed in a position where they are required to handle considerable amounts of cash and be responsible for the security of this money during the Regional trial. This proposal was tabled at the last Regional Meeting and was not unanimously supported by all 13-19yr Districts. It is hoped that this agenda item will be revisited.

2015 saw a review of the Regional District structure. Independent District spent considerable time meeting the needs of Region by critiquing the Regional proposal and submitting a further alternative for discussion. Independent District was disappointed that a 10-19yr age structure could not be implemented. We were however pleased to be able to retain our current school membership. One important outcome from the review was recognition that because of the differing geographic, socioeconomic, school/student numbers across districts it is important that districts retain the ability to manage district activities in a way that best fits their needs. Because of the increasing work loads of District Secretaries it is also pleasing to see some districts allocating time for secretaries in district budgets.

District Network meetings continue to be worthwhile and a productive use of time with the sharing of procedures and ideas extremely beneficial.

The SCISSA inter-school competition continued to be held on Thursday afternoons for primary campuses and Wednesday after school for secondary campuses. The semester based primary competition is under review for 2016

with plans in progress for full Gala Day each term with some inter-school training days preceding each Gala Day.

In 2015 our 10-12yr District participated in the 12yr Rugby League Regional trial. Initial advice from students indicated that there was sufficient interest to nominate a District team. Unfortunately the response from students was not as expected and we had to approach 2 other Districts to make up team numbers. The results of the games played by our District indicates that in 2016 we will need to revert to what was done in 2015, that is arrange for any boys wanting to play league to trial with another District as it thought that this is the best way to allow our good rugby league plays to best perform at Regional level.

School Heads of Sport continued to meet quarterly. Having this structure each year provides a valuable forum for Heads of Sport to review procedures and discuss how to further improve what we do as a District. This meeting schedule also flows through to our inter-school SCISSA sporting competition. Each meeting commenced with a joint meeting of Heads of Sport from both Primary and Secondary campuses to discuss agenda items common to both campuses before spitting into separate meetings for SCISSA campuses and District age groups. We were still able to manage this meeting structure with one school participating in the 13-19yr District trials only and another school not involved in our inter-school sport program. This process ensured there was full communication between primary and secondary staff. During 2015 there were no identified problems for 12yo students in year 7. Our District has continued to have all 12yr old students in year 7 attend our 10-12yr trial. This trial is referred to as an aged based trial and therefore year 7 students are not perceived as trialling at a "primary school" level.

School Principals continued have a "hands" on approach to school sport and continued to meet quarterly to discuss/review District and SCISSA policy and procedures. Heads of Sport meeting minutes were presented to Principals at each meeting and a Head of Sport representative also attended each meeting.

As I am leaving this job in March 2016 I would like to thank those in other Districts and the Regional Office for their dedication and commitment in providing important sporting opportunities for students of the Sunshine Coast. I also thank all in the Suncoast area for their assistance and friendship. My little blip on the sporting radar is nothing compared with the many years of service given by others.

With warm regards and thanks

Jill Canton
Independent and SCISSA Administrator
December 2015

REDCLIFFE DISTRICT SCHOOL SPORT 2015 Annual Report

Redcliffe District School Sport enjoyed another successful year on the sporting field. The three 'big' events were great successes. In swimming, Southern Cross-Mackillop was successful while in cross-country and athletics; Mueller proved dominant. In rugby league Moreton Downs represented our District in 9s, 10s and 11 years. Southern Cross-MacKillop won the regional junior boys football championship and represented Sunshine Coast at the South-East Queensland Championship. In the senior girls, Moreton Downs were successful and also went onto the SEQ Championship.

The majority of sports conducted their interschool finals in the afternoons / evening which provided parents and supporters the opportunity to attend. Big crowds were at all events. This is only possible due to strong community links with many sporting associations within Redcliffe and District.

Representative sport gave a pathway to Sunshine Coast and Queensland selection for many Redcliffe athletes. With this being the first year of year 7's being in high schools, we encountered many impediments to a successful representative pathway. Very few 12 year old, year 7's attended trials but this subsequently proved to also be consistent across the State at all levels. Hopefully we will be able to address this issue in 2016.

Affiliated Schools-Interschool sport / representative sport

Clontarf Beach SS	Christ The King	Southern Cross CC
Deception Bay SS	Deception Bay North SS	- MacKillop Campus
Grace Lutheran Primary	Hercules Road SS	- Frawley Campus

Review

Our thanks go out to all teachers in Redcliffe District who have fostered sport and physical activity in the Bay and Peninsula areas. This is not only during interschool sport seasons but also throughout the entire year. It is through the dedication of a band of teachers who ensure that sport is not further eroded in a busy curriculum. This is to be applauded. Thanks go to many community organisations that are in partnership with our association. AFL Queensland & James Nellis, Peninsular Power Football Club, Redcliffe RLFC, Redcliffe Softball Association, Redcliffe Netball, Redcliffe Touch Association, Queensland Running, Padres Baseball Club, Redcliffe Hockey Association, Frawley Tennis Centre, Deception Bay JRL and Deception Bay Little Athletics all support our district. .

Regards
Paul Dunn
Secretary, RDSS.

**GLASSHOUSE DISTRICT SCHOOL SPORT

Glasshouse District School Sports Assoc worked hard during 2015 to continue providing opportunities for students in all sports offered through School Sport. 2015 saw many students perform well in a variety of sports through their commitment to training, desire to improve their skills and abilities at competitive levels. Several students gained selection in Regional Teams with some excelling at State Titles. In times of increasing workloads and demands on teachers, Glasshouse District is fortunate to have dedicated convenors, coaches and managers who give much of their time and interest to the development of students in sport within the District. Thank you to all teachers, administration personnel and parents who supported students of Glasshouse District in their sport in 2015. Wishing all involved in School Sport a successful 2016.

Rachael Muller
Secretary
Glasshouse District
